Objective

Interested in a software engineering/information technology internship position, which will give me increasing amounts of academic exposure with my coworkers to intensify my software programming experiences

Education

Texas A&M University, Computer Science, *Bachelor's degree*

College Station, Texas

GPA: None, Coursework in Computer Science and General Engineering

Aug '15-May '19

Considered a Sophomore due to credit hours

Freshman Year-Spring Semester

Freshman Year-Fall Semester

CSCE 121 Intro. Prog. Design and Concepts- C++

CSCE 221 Data Structures and Algorithms

CSCE 181 Intro. To Computing

CSCE 222 Discrete Structures for Computing

Technical-

- JAVA-Proficient in analysis and advancement of algorithms, logic, methods, and fundamental data structures
- C++-Working knowledge

Experience

Professional

- Hostess at Sushi King-3401 Kirby Drive, Houston, TX 77098/ (713) 528-8998 *Jan.2015-Aug.2015*
 - Seated guests in an organized manner for waiters
 - Analyzed restaurant's earnings, managed to-go orders, and programmed restaurant menu items

Extra-Curricular Activities

- EH-CSCE-ACE Scholars Honors Computer Science program *Aug.2015-present*
 - Creates a more extensive programming background with departmental events and research opportunities; provides a one-on-one basis with mentors and professors
- AWICS-Aggie Women in Computer Science program *Aug.2015-present*
 - ACM-W chapter of women students and faculty; unites to contribute to the computing society by advocating women and creating more contributions available for technical usage
- Bellaire Belles Dance Team, Honor Corps Officer/Varsity Team *Aug.2011-May.2012*
 - Led Junior Varsity and Varsity Team through practices and competitions by setting an example as a team leader and a performer for future hardworking dancers (Hiphop, Lyrical, Jazz, Contemporary pieces)
- Houston Shaolin Kungfu Academy Lion Dance Demonstration Team *Jan.2011-present*
 - Performed at multicultural events around the community and at Chinese New Year events (served 350 volunteer hours)
- Student Council, Executive Council Officer/School Pride Committee *Aug.2013-May.2014*
 - Set an exemplar of respect by encouraging participations of school pride and leadership meetings

Community Service

- Children's Museum of Houston, Discovery Squad Program *Jun.2014-Aug.2014*
 - Gained knowledge of organizational skills, project management, and leadership prowess by coordinating projects for children interaction. (Served 186 hours within 2 months)

Academic and Honorable Distinctions

Presidential's Volunteer Service Award-GOLD-National: given by The Presidential's Council on Participation	Nov.2014
1 st Place- Java Programming Individual Event: given by Business Professionals of America; State Advancement	Mar.2015
Jeffrey John Becker '82 Scholarship: given by EH-CSCE-ACE Scholars Honors program-Texas A&M University	Sept.2015
UIL 1 st Place Computer Science Team Championships: given by UIL Academic District 5A-20-Regional Qualified	May.2013
AP Scholar with Distinction Award: given by College Board for exemplary college-level achievement on examinations	Aug.2015
2 nd Place-Computer Applications: given by HISD UIL Academic District-Regionals Advancement Individual Event	Apr.2015
Grace Hopper Scholarship-Celebration of Women in Computing: given by Anita Borg Institute	Oct.14-16, 2015
TAMU Hackathon	Oct.8-9, 2015
